— ALL HEART DENTISTRY —

Hello!

Welcome to our office and thank you for choosing to spend your time with us!

We are excited to start our dental relationship with you and your child. On this first visit, our main goal is to everyone feel comfortable in a new environment. We understand new experiences, especially at the dentist, can be particularly hard. If you have any concerns with your child's anxiety about the visit, please don't hesitate to discuss it with us.

Along with providing a comfortable environment, we will be providing a thorough and complete dental exam and cleaning. That will consist of:

- _____ A medical history discussion
- _____ Radiographic images/X-rays
- _____ A "Dental cleaning" or Prophy
- _____ Examination of the head and neck, teeth and surrounding tissues by Dr. Henley
- _____ Fluoride Treatment – See Fluoride Consent for more information

If you have any questions or concerns about the treatment being provided, we welcome the discussion. Your confidence in us is an honor and we take that very seriously. Please sign below to give your consent to the above procedures. Place an "X" next to any procedure you object to.

We look forward to taking care of your family. Welcome to ours!
